

Dato: 01.03.2018

Prices:

Hourly rate pr. month:

- 1 – 10 hours = 900,- per hour
- 11 – 30 hours = 720,- per hour
- 31 – 170 hours = 560,- per hour

Example:

For 30 hours work on the project in one week, the amount on the invoice will be:

10 x 900 = 9.000,-

20 x 720 = 14.400,-

Total for this week 23.400,-. Next week the hour rate will continue at 560,-. When we get to a new month, the hourly rate starts at 900,- and follows the same hourly rates as explained at the top.

Fjell IT AS sends an invoice with 15 days due date, every Monday for the past week. If the invoice is not paid in time, the work will stop until the invoice is paid. All prices are excluded VAT.

Opening for negotiation:

If the responsibility exceeds the estimates in the contract, it opens for negotiation of better prices for Fjell IT AS
